

We are hiring
**JOIN OUR
TEAM!**

Are you an **experienced** trainer, coach and consultant who is **passionate** about helping organizations and their leaders to develop? Would you like to work with some of the most important companies in Austria and across Europe? Are you able to **deliver** trainings and workshops in native-level German and fluent English? Would you like to be part of an **innovative**, Vienna-based team that has been successfully supporting people and organizations for more than 25 years in some 35 countries around the world?

Then please reach out to Matthew Strauss with your CV, reason for applying, and references at ARGO Performance & Development: office@argo.at.

We are continuing to grow our team and are looking for a:

CONSULTANT/TRAINER/COACH (m/f/d)
in the area of people and organizational development
(Full-time, based in Vienna)

What we must insist on:

- A university degree (the more relevant, the better) and at least 5 years experience in training and coaching of business leaders
- Ability to deliver sessions both in-person and virtually, in native-level German and fluent English
- Willingness to travel (domestic and international), and a drivers license
- A balance of hard-nosed business nous and compassionate humanity, as well as a drive for mastery and love for this work

What we would love if perhaps you have:

- Leadership experience in a corporate environment
- Experience in leading changes both small and large and in facilitating workshops
- Formal coaching and training accreditation
- Experience in working with emotional intelligence and transactional analysis
- Skills in key account management and business development

But, listen, even if you don't check all the boxes but feel you are a great consultant and trainer with the ability to positively impact client organizations and participants, then do reach out to us.

What we offer:

- Fixed monthly salary between €2,400 – 2,800 (gross/full-time), depending on experience. Plus, a fixed bonus for every day delivered.
- A generous education budget and ample opportunities (and support) to develop.
- The usual fixings of laptop, phone, free coffee and drinks etc.
- Unlimited career and development opportunities, even up to equity partner.

ARGO stands for integrative personnel and organizational development. We support international customers in change projects and management development programs. The goal of our projects is always to improve performance: **We support People and Organizations to be successful together.**
